

the sofia hotel

Travel Information: COVID-19 update from our General Manager

To our Guests,

Thank you for allowing us the opportunity to serve you at the Sofia Hotel.

We wanted to take this opportunity to inform you that we are currently welcoming guests in downtown San Diego at a reduced capacity to assist with physical distancing and to comply with state and local guidelines.

We are committed as always to providing a clean and safe environment now offering 'contactless' check-in, additional sanitizing stations, social distancing, reduced elevator occupancy, awareness signage, increased hand hygiene, masks, gloves, sanitizer wipes, plexiglass barriers and more restrictions for employees to help combat any spread of the virus. We have partnered with Spray Safe USA to help sanitize the hotel from germs, bacteria and pathogens.

As we are taking steps to ensure the safety of our team members and guests, we ask our guests to be mindful and cautious. Do not visit the hotel if within the last 14 days you: have been sick or had any of the symptoms related to COVID-19, have been exposed to confirmed or suspected cases of COVID-19, or have traveled internationally. While at the hotel, please ensure you are washing and sanitizing your hands frequently and are not having any unnecessary contact with anyone outside of your immediate family.

The food and beverage facility located at the hotel is currently closed due to COVID-19 but there are a number of nearby restaurants offering pick up and delivery services along with a grocery store approximately one block away.

We are currently offering a self-parking option only in the adjacent LAZ parking lot located between Front and First streets with an overnight fee of \$37.25 the first night and \$35 each additional night. The parking fees include tax and unlimited in and out privileges.

We look forward to welcoming our guests back to The Sofia Hotel, the lovingly-restored and award-winning historic hotel in the heart of downtown San Diego and thank you for your continued support. We appreciate it; we could not be who we are without you and your support over the years.

All the Best,

Andrea Winslow
General Manager
